59 eagle

we dedicate

We, of the Annual Staff, dedicate the 1959 Eagle, to you, the students of Bell High. You have earned this honor through your commendable behavior on campus, at games, and in the community—for Bell High's excellent record is the reflection of its student body and its actions. Every merit of achievement that this school can account for is due to your efforts under the able guidance of your teachers. Bell can display its trophies of honor in almost every scholastic and athletic field.

reflections

We have chosen "Reflections" as our theme for the

1959 EAGLE. It describes and
pertains to everyday life

around our school, in sports

... student body ... clubs ...

social activities ... and extra

curricular projects. We hope

that this book will bring back

many reflections of the past

school year, noting the many

changes in our school, com-

munity, clubs, faculty, and

you, the students to whom

this book is dedicated.

contents

faculty

New faculty members strengthened the outstanding teaching staff at Bell High School. The students received the best education possible as reflected in their many honors.

seniors

Seniors are the model of our finished product. Many graduate with extremely high honors. Some continue to achieve even higher honors.

classes

Underclassmen represent the majority of the student body. The enrollment of the school has increased 10 per cent over last year's total, which necessitated additional teachers and classrooms.

activities

Activities such as dances, sports nites and club socials were enjoyed by many, as shown in their participation in school events.

sports

Athletic teams provided thrills and wholesome activities for extra-curricular functions. They displayed fine spirit this year and deserve much praise, as do the students that supported these events.

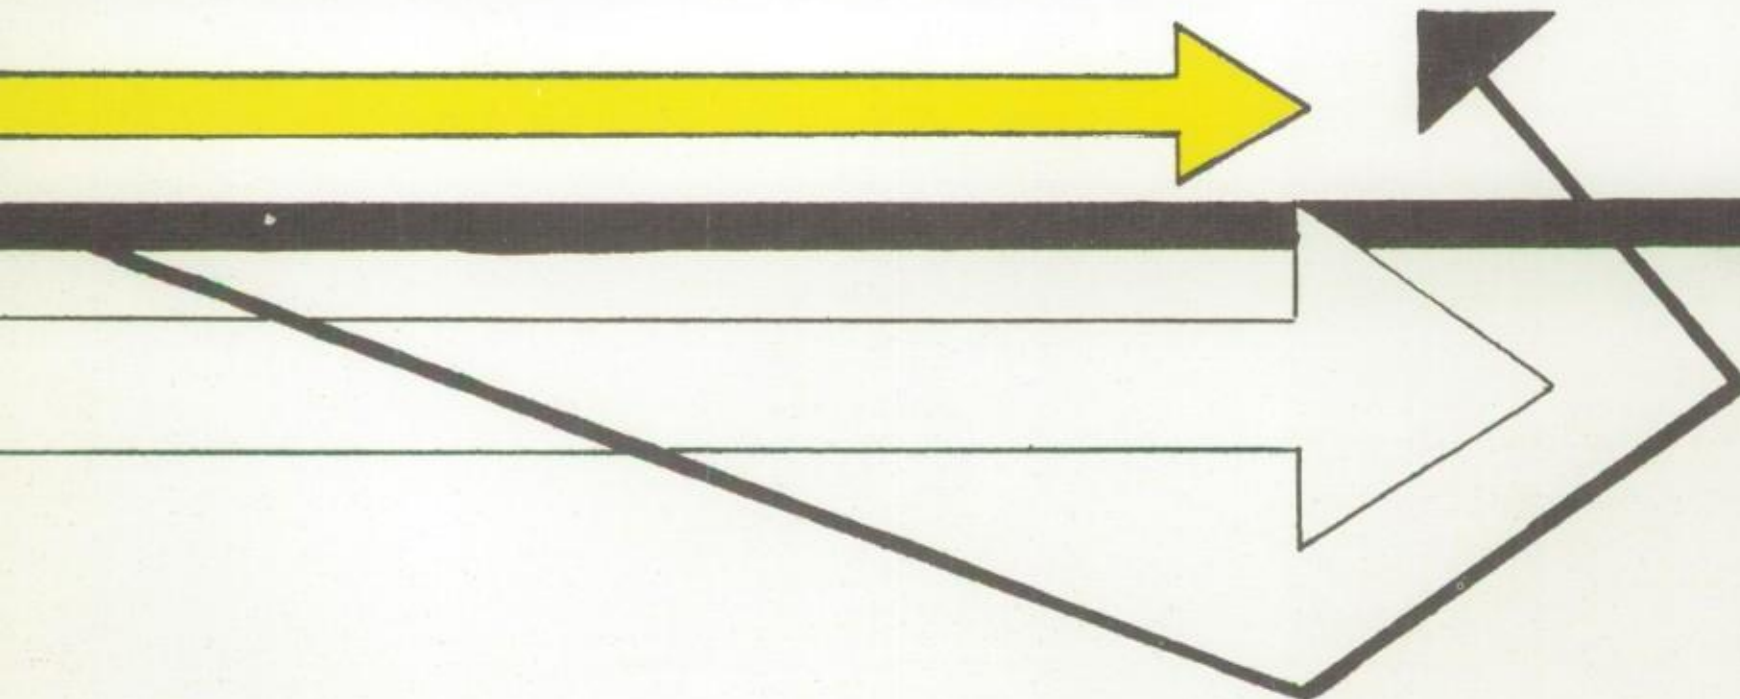

administration

Three personalities in the Bell story are indispensable to the development of our fine school. Through the hands of Mr. William Ruess, principal, run all the threads of the story, and by him they are given purpose and direction. After graduating from Fairfax High and attending UCLA, Mr. Ruess served us as Vice-Principal for five years and gained the acquired qualities to become our esteemed Principal for the past two years. Working hand in hand with Mr. Ruess were Miss Geraldine Schwaderer and Mr. John Falxa, Girls' and Boys' Vice-Principals respectively. Miss Schwaderer, a graduate of Hollywood High, UCLA and USC, has served us for the past four and a half years. Besides her regular tasks she is co-ordinator of all activities. Mr. Falxa came to Bell two years ago from Edison Junior High where he served as Vice-Principal. He attended Santa Barbara State College and Stanford and completed his graduate work at USC. Our administrators have truly made the Bell story one to be remembered and cherished by all.

Mr. John Steel, registrar, who is in charge of all school attendance, has served our school efficiently since 1930. Before his years at Bell High, Mr. Steel graduated from the University of California at Berkeley where he received his A.B. Degree.

CAFETERIA STAFF: Providing a warm lunch for the students is only one of the jobs performed by our cafeteria staff. In addition to that, they supply refreshments for all scholastic activity such as breakfasts and parties. Hamburgers, hot rolls and milk usually taken for granted by the students, are a major of the cafeteria staff.

CUSTODIAL STAFF: Keeping a clean campus is only one of the jobs of our custodial staff. Clean rooms, laboratories, and drinking fountains—tasks which are usually taken for granted by the students, are just a few of the roles of the custodial staff which help make our campus spotless.

faculty activities

1

Judging by the expressions on the faces of Mr. Lehnhardt and Dr. Szekler, it must have been a pretty rough day.

2

Caught off guard is Mrs. Cledith Gerard as she prepares to check in at the main office at the end of a long day.

3

It's all "Hats Off" except Mr. Rowland who stuns the rest of the faculty with his model of a hat which he recently obtained on a visit in Northern Iraq.

4

No it's not Halloween, but the presentation of new teachers to the faculty at a faculty meeting. New teachers are Mr. Barrow, Miss Allen, Miss Popovac, Mrs. Schofield, Mrs. Mikula, Miss Reinhardt, and Mr. Tower.

NANCY HARDEN
senior editor

In their Senior Bee year, the winter graduates were honored by having capable leaders such as: Vicki Giambrone, President; Don Buchanan, Vice-President; Tom Myers, Treasurer; and Barbara Berekoff, Secretary. These officers did an outstanding job as officers of their class.

winter

59

The emblem signifying the winter class was designed by Sharon Hughes.

Leading the winter '59 graduating class for their Sr. A semester were President, Bill Dickey; Vice - president, Mike Lee; Secretary, Nana Brock; and Treasurer, Bill Waggoner.

The winter '59 graduating class of Bell consisted of 38 boys and 27 girls. Although it was one of the smallest graduating classes, it was one of the mightiest. Though the semester the 65 students enjoyed many activities reserved only for seniors. Among them were their Senior Breakfast, where they received their coral sweaters, the Senior Prom, the Senior Picnic and several sportsnites. Most of the big events took place in their Sr. A semester.

Selected as Ephebians from the winter '59 graduating class were Sue Holbrook and Steve Turnwall.

Sue had an outstanding record in leadership and was Student Body Secretary. She also served as feature editor, associate editor and news bureau chief on the Chimes Staff. Steve was excellent in leadership too, as he held the offices of STUDENT BODY PRESIDENT, and Boys' Forum Vice-President. He was also Chimes Editor and lettered in Basketball.

Winter '59 graduates who received the Sealbearers award for outstanding scholastic records were Vicki Giambrone, Sue Holbrook, Joan Enders, Steve Turnwall, and Tom Myers. These five students have been in scholarship four semesters including one in their Senior year.

After all the homework and exams, graduation time finally arrived. First, they walked down the hall to the auditorium; then the graduates proceeded up the aisle. They received their awards and diplomas after listening to com-

mencement speeches on, "Yesterday, Today, and Tomorrow", given by Sue Holbrook, Joan Enders, Steve Turnwall and Tom Myers. When it was all over, the hall was filled with their friends and relatives to congratulate them.

Getting ready for graduation are a few of the winter graduates. John Godfrey helped Jay Bell; in turn Jay held Steve Turnwall's gold cord while he tried to put on his mortar board.

One of the events always enjoyed by the seniors is the sack race. It looks like Jay Bell won this particular race, with Tom Myers, Alex Haddad, and Larry Allard close behind.

senior activities

How many did it take to get Ron Frayer over the net? Seven in all, the five in back Jay Bell, Dave Hadley, Louie Williams, Tom Myers, and Steve Turnwall, to push him over, and Charles Subin and Alex Haddad in front to pull him over.

What is this world coming to, going around a baseball bat with her head on it? Well, Barbara Berekoff must have had a good time though it looks like she had her friends, Judy Dutton, Barbara Hupp, Vicki Giambrone, Steve Turnwall, and Dave Hadley a bit worried.

By the smiles on their faces, it looks like these girls had an enjoyable time at the picnic. They are in front: Rose Buzo, Darwa Blackett, and Barbara Berekoff; in back, Nana Brock, Joyce Cunningham, Barbara Hupp, Vicki Giambrone, Tanya McLaughlin, Joan Enders, and Sue Holbrook.

Bill Waggoner, Dave Bradley, Jay Bell, and Gary Cash comprised one of groups of seniors who entertained at their senior bee breakfast. They pantomimed to the record "Bermuda Shorts".

Leading the Senior B class for the winter semester were President Tom Boxdorfer, Vice-President Gene Charbonneau, Secretary Kay Rusk, and Treasurer Elyse Telecke. These four officers reflect the outstanding leadership given the 228 members of the Senior B class. Among the many exciting events that occurred were the Senior A and B sportsnites and the memorable Senior B Breakfast. At this Breakfast, some 220 Senior B's received their tan and brown sweaters. The theme for this event was "Witchcraft."

The traditional semi-annual sportsnight was well attended by both Senior Ayes and Bees. Class members competed in such activities as ping pong, volleyball, carom, basketball and

dancing. Entertainment was provided by Dave Nielsen, Dennis Doyle, David Rifkin, Bill Amdal and James Riggs.

Reigning over the Senior Prom was Queen Brenda Buccowich along with her royal court of six lovely princesses. Senior Aye princesses

were Pat Doyle, Julie Sample and Joan Scarlett. Senior Bee princesses were Kay Hunnewell, Jackie Buettner and Judy Minderman.

Elvis! comes the roar from the Senior Bees as Dave Nielsen does his interpretation of "Hard Headed Woman."

Looks like a witches haven but its only the Senior Bees celebrating the arrival of their long awaited sweaters.

senior activities

Evangeline proudly displays her S'59 Senior sweater to Kay and Pat.

Providing some of the entertainment was a Dixie Land Band featuring Gordon Knechtel, Russell Laycox, Dan Wren, Beth Zeigler, Gary Ziegelmeyer and an under classman Marshall Holling.

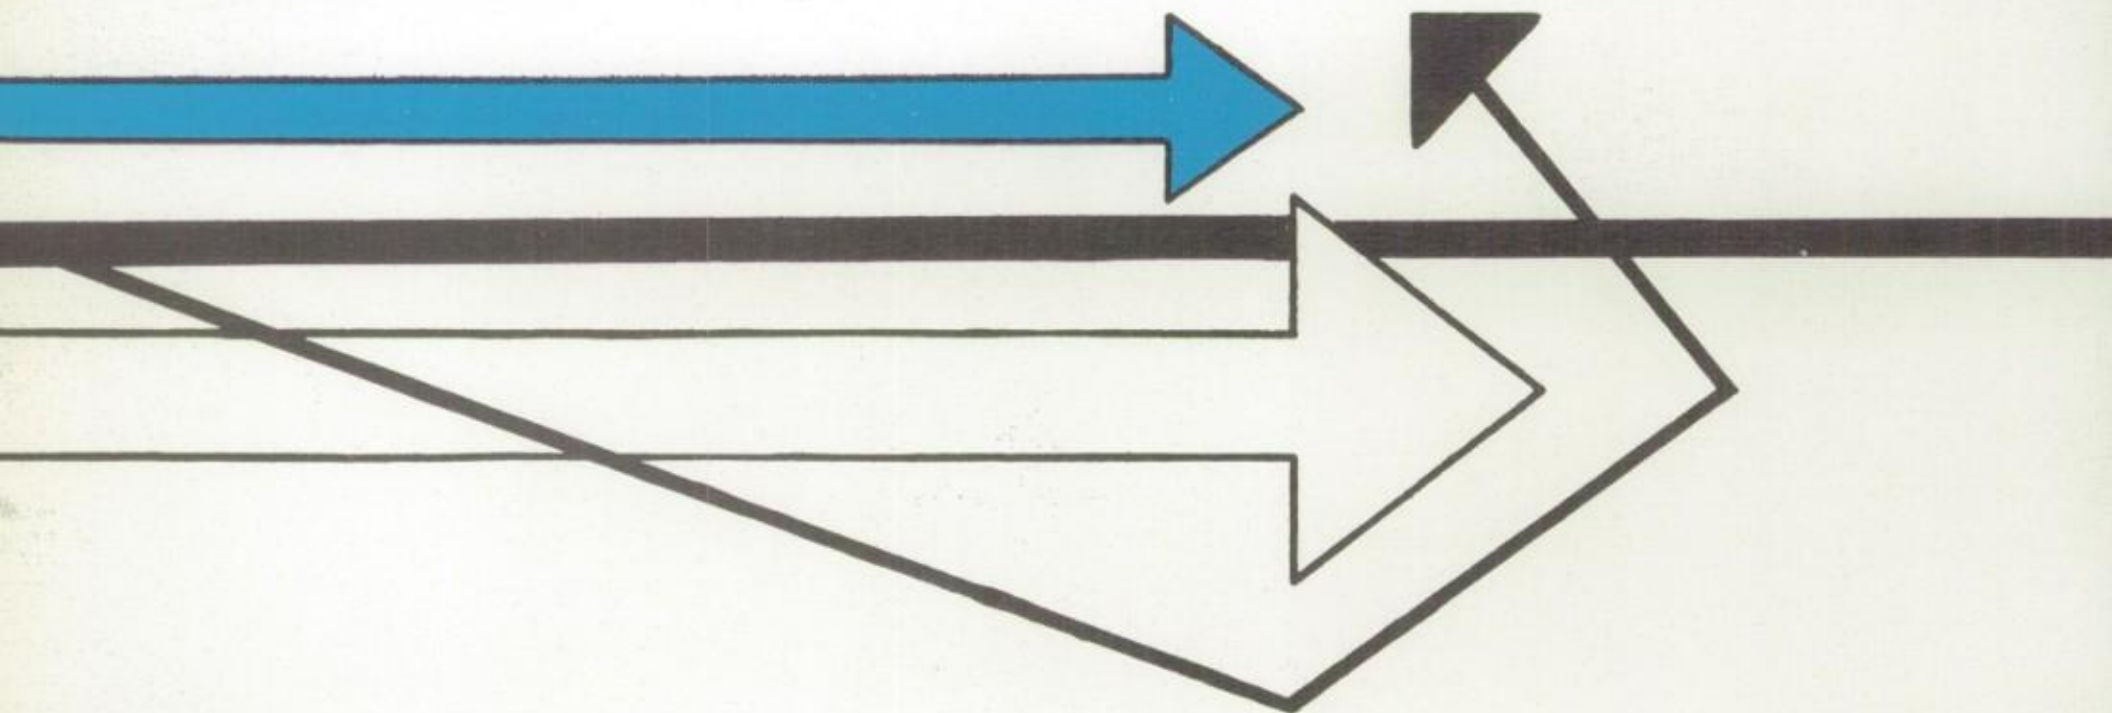

Those new beige and brown sweaters seem to have the Senior Bee boys in a spell.

classes

Many students at Bell are enrolled in the various art classes. These classes let the student mirror his ideas on paper as an outlet for creative urges. Mr. Donald Williams, department head is supervising this class.

The frog is being dissected by Dale Moose and John Neidhardt under the watchful eye of Mr. Collis Jordan. In both physiology and life science classes, students learn better health measures and the mechanics of living things.

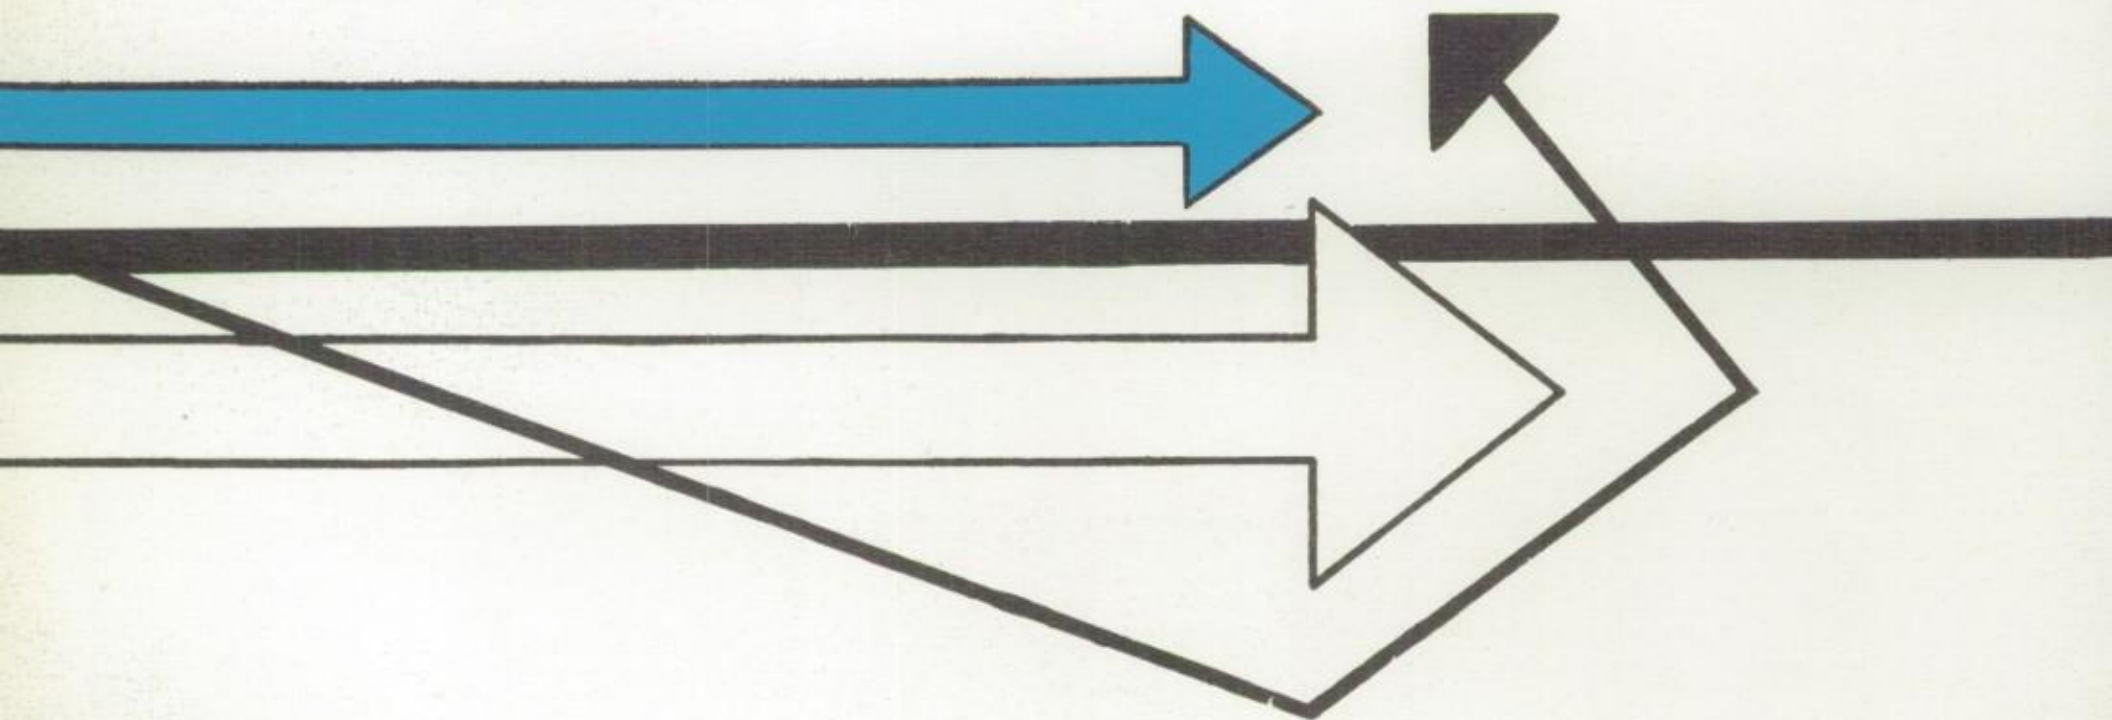

Here in the print shop where our football programs, campaign tags, and posters are printed students learn an interesting and useful trade. Mr. Thompson is always ready to answer all their questions.

The '59 EAGLE STAFF started the planning of the year-book in May of 1958. They worked through the summer; and at the beginning of the fall semester, the staff started their sales drive. Fourteen hundred and twenty-five annuals were sold by the staff with the help of the leadership class. On the twentieth of April, the last pages were sent to the printer; and on June 15, the book was distributed to the seniors. The rest of the student body received their annuals the following day.

Mr. D. Williams

The staff took time out for a bit of relaxation, after the long hours and hard work of putting out the 1959 EAGLE.

At the beginning of the spring semester we acquired four new staff members. They helped, along with the rest of the staff, to plan the contents and layout of the annual. Besides this, the staff participated in the photography of the book. This meant telling the photographer how the pictures were to be arranged, the identification of people in the pictures and the selection of the best prints. Appropriate copy was written to describe the various photographs. Along with the rest of their duties, the staff was responsible for soliciting advertisements.

Girls' League is an organization of all the Senior High girls at Bell High. Under the guidance of their new adviser, Mrs. Donna Gottlieb, the girls sponsored the first dance of the year, the "Scrimmage Scramble," sold tags for all the football games; held two teas that followed the installations for both semesters, and they took toys to children in the General Hospital. They had several assemblies throughout the year, the Fashion Show last fall and the Cotton Day Assembly last spring, which are two annuals. One assembly was held in conjunction with the Boys' Forum, featuring the Marine "Dress Blues."

The valuable service of showing films, filmstrips and slides was rendered by Bell High School's Audio-Visual Club. Projectionists showed these teaching aids in classrooms to accommodate the teachers; and during the lunch periods, students were entertained in the auditorium with major motion pictures on our cinema-scope screen. Mr. Dennis Sundholm, our very capable sponsor of the club, trained the boys in projection, splicing and handling of film. Bell High School was fortunate to be selected as a pilot school for film strips. Many of the excellent materials of this kind are in our permanent collection.

Astro II, eggmen inspire B8 pupils to make projects

What's this? Eggmen? Astro II?

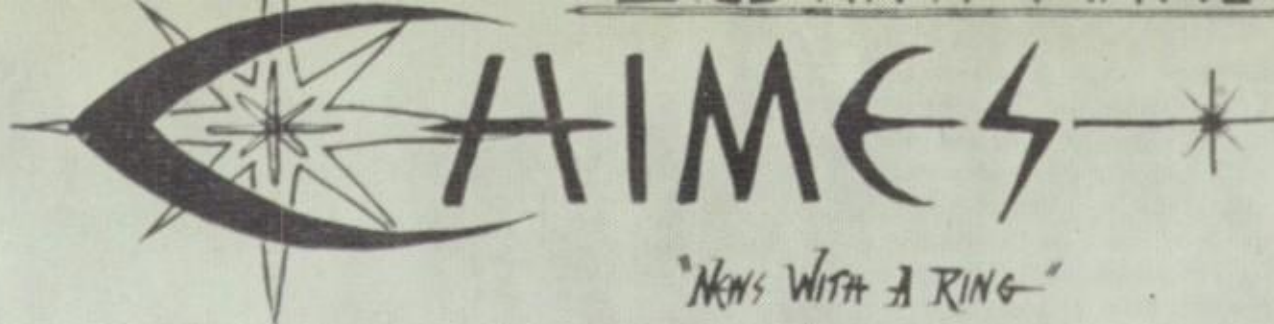

No, you are not going crazy, you are just looking at the hall across from science room 30, where a display is put on by the B8 science students at Bell.

It all started this way. B8 science teacher, Mr. John Barrow, brought up an imaginary planet named Astro II, on which lived strange egg-shaped beings. Certain factors such as the gravitational pull and the type of atmosphere were given to the class.

Using this information, students made up models, some of which consisted of eggmen, some of houses and some of both. Eggmen were constructed from anything from eggs to radio tubes.

A few of the more ambitious project-makers were Karol Holt, Don Harris, George Collins, Corine Ryan, Carol Goodkin, Sharon McCool, Andrew Saunders, Rose Marie Austin, Nora Tomlinson, Carol Lee, Herman Hamnerstead, Kathy Cole, Paula Brown, Steve Nielson and Randy Carpenter.

This project was put on to bring out imagination and ingenuity in students.

Assisting Linda Abrahams, president, with plans are Pat Doyle, vice-president; Marcen Gibson, secretary; Barbara Berckoff, treasurer; Jan McKabney, historian; Betty Caruthers, business manager and Judy Davis and Sue Stockton, sergeants-at-arms.

The club is sponsored by Miss Elaine Plath.

lege a complete transcript of the high school record. Requirements to enter the university are to have a B average or above, in such subjects as history, English, mathematics, science, and foreign languages.

Tuition and other expenses also enter into attending college. No tuition is charged in the academic colleges at UCLA if you are a legal resident of California for one year previous to entrance.

Tuition fee is one hundred and fifty dollars a semester to all students who have not been legal residents of California for one year. There is also a \$50.00 incidental fee for all undergraduate students which covers counseling services, library books, gym facilities and equipment and medical advice.

Some of the minimum fees are for books and supplies, \$30.00; board and room, \$500.00; and recreation, club dues, laundry, drugs, etc., \$50.00.

'59 Annual sales cease soon; buy yours now!!

"This deadline has been set and we will observe it. No Eagles will be sold after our deadline, November 7, and we will not order extra copies," exclaimed Eagle editor, Kay Rusk, in answer to the question, Will this sales deadline be changed if the Bell High pupils don't buy their annuals.

Kay has made it evident that on Friday, November 7, annual sales will end. She, her staff, Mr. Don Williams, adviser and Mr. William Ruess, principal, felt the Oct. 13-Nov. 7 period was enough time in which to purchase a year-book. In previous years, extra copies have been ordered and sold in June, but this practice will be discontinued.

The if enough copies are sold feature a padded cover and pictures. All club dues are also included.

Chimes Adviser

Interviewing, covering assignments, proof reading, making up the dummy, and writing headlines, news stories, editorials and captions were some of the many tasks of the Chimes staff. Puzzled heads shook and typewriters clicked furiously as the staff members produced the finished product before deadline time for each of the thirty issues during the year including a basketball sports extra. The editors of the past semester were Ron Siegel W'59 Editor and Leroy Meek as S'59 Editor. Several attractions added to the paper this year included the Junior High page, Joe Cool, Senior of the Week and a GAC column. The Chimes continues to be an award winning paper by receiving the International First Place Award from Quill and Scroll, and first place awards from the Columbia University Scholastic Press and National Scholastic Press. Highlights of the year were attending a Journalism Day at UCLA, and the attendance of eight delegates accompanied by Mr. Garven at the Pacific Slope Press Conference in Seattle, Washington. Chimes and News Bureau are advised by Mr. Charles M. Garven, who has capably led students in the journalism department for the past ten years.

With a roll of drums and a blare of trumpets the Bell High School Band of about 45 members performed the difficult drills in the spirited rallies which helped to boost the morale of the student body. This year was perhaps one of the most spirited seasons in Bell's history. Leading the band in these drills was drum major Gary Ziegelmeyer. Under the direction of Mr. Arthur Mautner this years band was a great success.

northern nocturne

Northern Nocturne was the theme of the Christmas dance, which was sponsored by the Junior High. It was held December 19, in the girls' gym. Chosen to reign as King and Queen for the Senior High was Charles Shubin and Marilyn Myers. Darlene Howey and Jim Cox reigned over the Junior High.

The Mexican Hat Dance is one of the novelty dances which was featured at the Northern Nocturne.

Anyone you know? Maybe you can spot yourself if you attended the Northern Nocturne.

sweetheart carousel

The Sweetheart Ball, which was sponsored by the Senior Girls' League, was held February 13, in the girls' gym. The theme was Sweetheart Carousel, and it was gaily decorated in the colors pink, white and red. Don Terranove and Julie Sample were crowned King and Queen, while Caroline Waggoner, Loretta Parmer, Louise Shultz, Mardell Mount, and Lynn Shaw were chosen as princesses.

It looks as if everyone is having a good time at the sweetheart carousel, but Julie and Don seem to be having some trouble.

emerald enchantment

The St. Patrick's Dance, Emerald Enchantment, was held on March 13th. This was one of the big dances of the year sponsored by the Hi-Y. Decorations for the dance were green and black shamrocks with streamers of green, black, and white hues.

Larry Ramos and Chuck Luther entertained at the Emerald Enchantment harmonizing "Sippin' Lemonade" and "She's Gone" among other favorites.

Leroy Strong, a member of the service club, helps out on the sound for the entertainment of this fine dance.

Gathered around the entertainers platform are all the lucky people who went to the Emerald Enchantment.

Although working with a new inexperienced team, Coaches Bruce Tashner and Larry Osburn turned the Eaglesmen into a fine fighting team. Even though they were short on scores, the mighty B's were in the game fighting to win continually. Providing the most valuable asset to the team was Norm LaMarsna, chosen B player of the year. These are the players who will make up the mighty Bell Varsity of the future.

John Godfrey (94) fights for more yardage as an unidentified Spartan prepares to stop his progress.

Its rough traveling as far as Bill Makshanoff is concerned as an alert Roosevelt defense closes in on him.

Breaking away from a Dominguez tackler is Mike Lee as he gallops away for 10 yards and a first down.

Don Shaw (44) carries ball around right end as Mike Lee (25) attempts to block out oncoming Dominguez tacklers.

As the Bell High School Band leaves the field at East Los Angeles Junior College Stadium, the Varsity Eaglemen prepare for the final half of the Eagle Rock game.

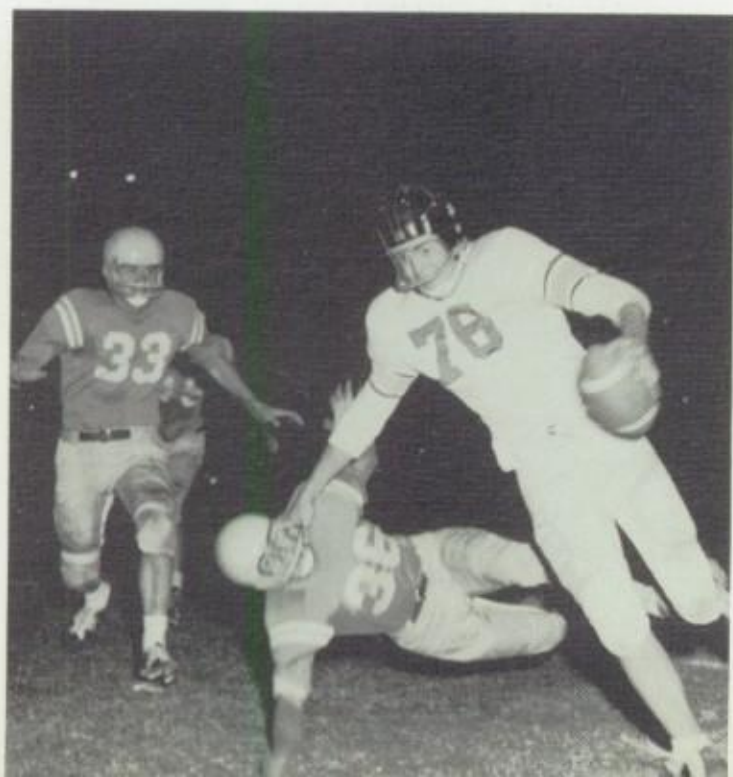

Facing tough Eastern League competition, the Eagle Varsity placed fifth in the league. Although the record shows a rough season, the Bell Eagles had one of the finest fighting squads in many years. Proving their strength the varsity men dumped the Dominguez Dons 32 to 12 in a practice tilt. The Dons later went on to win their league. Boasting their biggest upset of the season, the mighty gridsters toppled a bewildered Eagle Rock team by the narrow margin of 14 to 13 in a night game at East Los Angeles Junior College Stadium. In the most grueling game of the year, the hard fighting Eagles fell prey to the South Gate Ramblers who scored a touchdown in the final thirty seconds of the game to post a 12 to 7 victory over the shocked Eagle squad. Probably the greatest reason for such a close season was the fact that at every game the stands were practically filled with Bell Students. The Band, Pep Club, Cheerleaders and Song-leaders gave their utmost support to the team to give the squad the encouragement they needed.

Running behind nicely executed blocking, Don Shaw (44) makes a gain of 15 yards and a first down during the Eagle Rock game at East Los Angeles Junior College Stadium.

Breaking through the Dominguez defense to an additional 6 points is Bell ace back Mike Lee.

Mike Lee sweeps around left end for a gain of 8 yards as Wilson men attempt to halt his progress.

Boasting a 9-1 Eastern League record, the mighty Eagles, led by coach Jerry Marvin, were victorious in their efforts to claim the League championship. Described as one of Bell's finest basketball teams, the Eaglemen soared to a well deserved victory, defeated only once in league play. Sparking the Eagle hoopsters and nominated for the All-City Basketball Team was Charley Shubin who boasted a 19.5 point average per game.

Displaying fine sportsmanship on the part of the students, the Bell grandstands were filled to capacity practically every game to show their tribute to the team.

Together with fine coaching and hard practice, the Bell High School Varsity Baseball Squad proved to be the crown contender of the Eastern League. Although losing star players through graduation, the Eagles developed their returning lettermen into the finest players in many years. Working with Coach Frank Koski, the Eagle squad spent many hours after school to improve techniques of playing baseball. As proved by bonus pitcher, Mike Lee, the baseball squads have been equally good in the past.

gymnastics

Producing one of the finest gym squads in many years, the Eagle musclemen proved to be one of the greatest threats to the other schools of the Eastern League.

Among some of the gymnasts' greatest accomplishments this year was that the squad defeated the Roosevelt musclemen for the first time in history by a total of $78\frac{1}{2}$ to Roosevelt's $41\frac{1}{2}$ points. In a tri-school meet between Westchester, Manual Arts and Bell, the Eaglemen out-classed a bewildered Manual Arts squad by the outstanding score of 93-27. The Bell musclemen qualified eight men in the Eastern League finals showing their ability to be a strong squad.

Asked what he thought of the squad, Coach Webb stated, "I am highly pleased with the success of the season. The boys improved tremendously and displayed great desire to win. As for next year, I am looking forward to one of the finest seasons yet."

Darrel Campbell gained third place in tumbling while teammate Bob Collup gained fifth place.

Returning lettermen for last years Gymnastics team were Gene Charbonneau, James Lee, Duane Smith, Bob Collup, Jim Mechikoff, Dave Nielson, Darrel Campbell, Bob Shorman, and Richard Anderson. Coach Webb is telling them about the seasons activities.

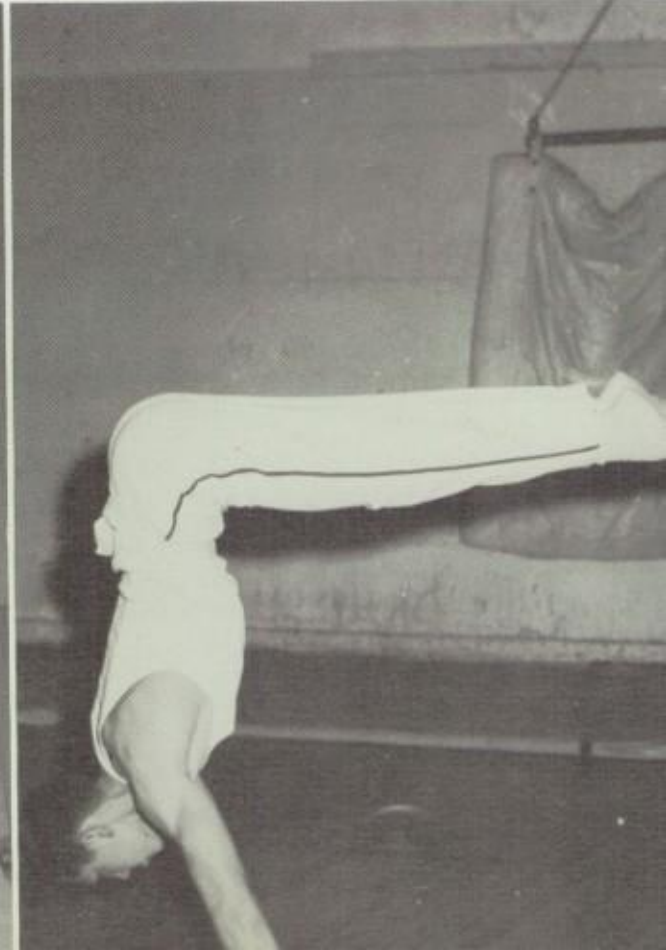

Vaulting over the long horse is Gene Charbonneau.

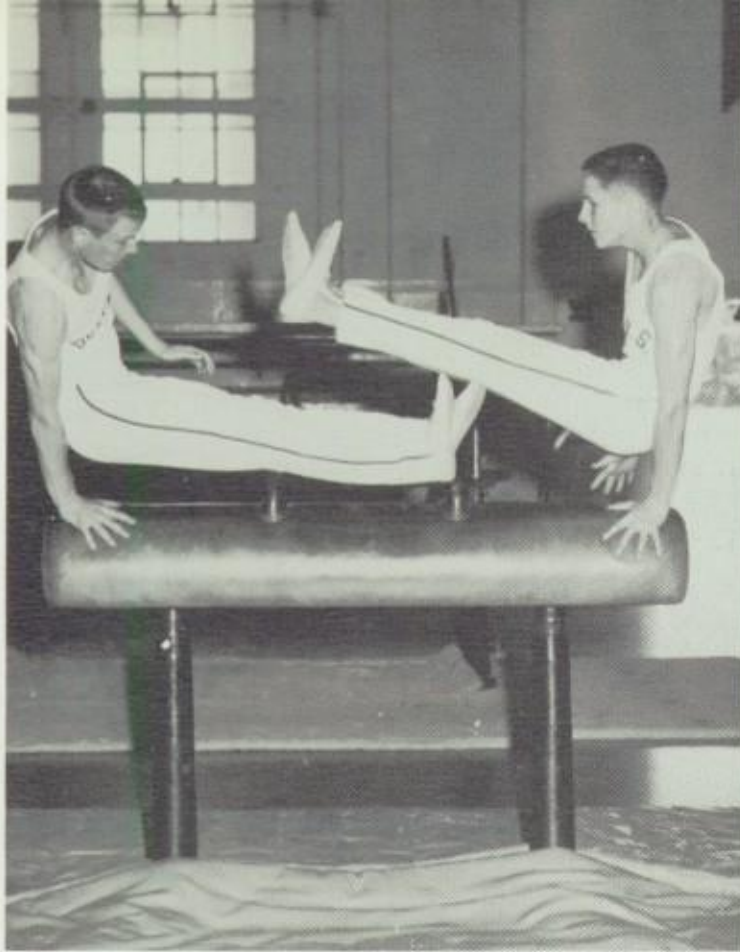

Dave Nielson does the hand stand on the long horse.

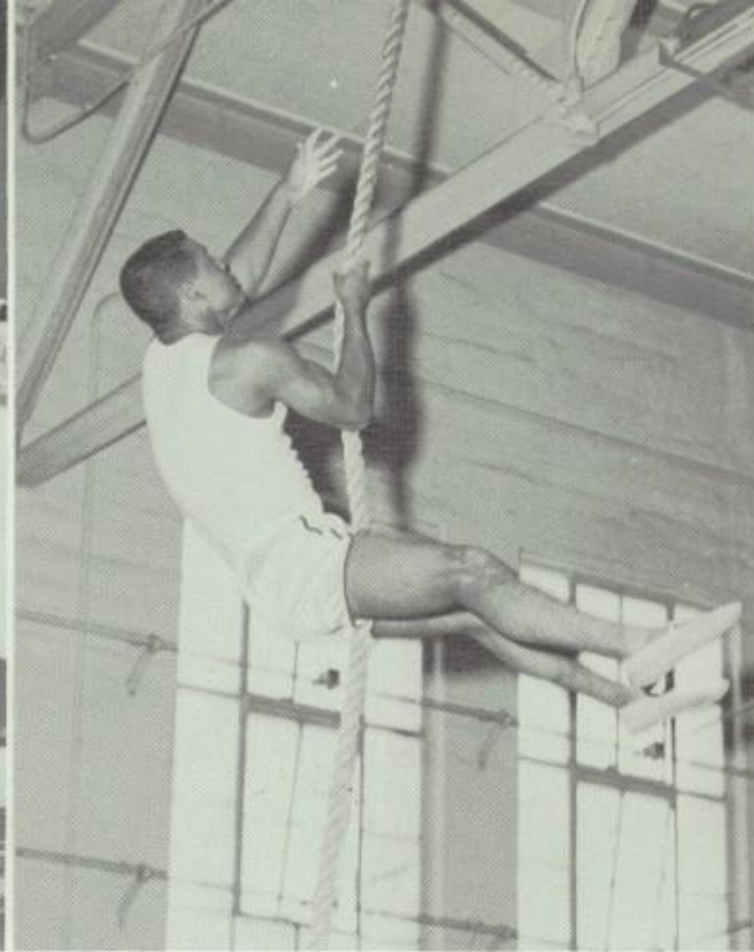

Demonstrating the free exercise is Jim Mechikoff.

Demonstrating their skill on the sidehorse are Duane Smith and Richard Anderson.

Shown on the ropes is Eagle Gymnast, Bob Collup.
